CANCELLATION AND REFUND POLICY

A. CANCELLATION

1. REJECTION OF APPLICANT:

If an applicant is rejected for enrollment, or if a prospective student has his/her Visa application rejected, a full refund of all monies paid, less non-refundable charges, will be made.

2. PROGRAM CANCELLATION:

If ALI cancels a program subsequent to a student's enrollment, ALI will refund all monies paid by the student.

3. CANCELLATION PRIOR TO THE START OF CLASS OR NO SHOW:

Except under the circumstance identified in **Section (4)**, below, if an applicant accepted by the institution cancels prior to the start of scheduled classes or never attends class (no show), the institution will refund all monies paid or incurred by ALI, less non-refundable charges.

4. CANCELLATION PRIOR TO THE START OF CLASS OR NO SHOW:

If an applicant accepted by ALI enters the United States on an I-20 obtained through the institution and **subsequently** cancels prior to the start of scheduled classes or never attends class (no show), the institution may retain all the tuition charges for up to **six weeks** of the first term, and a maximum total of **\$500** identified non-refundable charges.

B. WITHDRAWAL OR TERMINATION AFTER START OF CLASS

1. PRORATED REFUNDS WILL BE CALCULATED ON A WEEKLY BASIS

When determining the number of weeks, the institution will **consider** a partial week the same as if a whole week were completed, provided the student was present at least one day during the scheduled week.

2. **FIRST TERM/SESSION – AFTER THE CLASS START DATE**

For students whose last day of attendance occurs at any point in the first four weeks, the institution may retain the charges applicable to the first **four weeks**. For students whose last day of attendance occurs after the first four weeks but before or at the midpoint of the term/session, the institution may retain a **prorated** amount of tuition. For students whose last day of attendance occurs after the midpoint, the institution may retain **all of the charges** for that term.

3. **SUBSEQUENT TERMS/SESSIONS – AFTER THE START DATE**

For students who have completed the first term/session at ALI but whose last day of attendance occurs before or at the midpoint of any subsequent term/session, the institution may retain a **prorated** amount of tuition up to the midpoint. For students whose last day of attendance occurs after the midpoint of any subsequent session, the institution may retain **all of the tuition** for that term/session.

C. REFUND DUE DATES

If an applicant never attends class (no-show) or cancels prior to the class start date, all refunds due will be made within **forty-five (45) calendar days** of the first scheduled day of class or the date of cancellation, whichever is earlier.

For an enrolled student, the refund due will be calculated using the last date of attendance (LDA) and be paid within **forty-five (45) calendar days** from the documented date of determination. The date of determination is the date the student gives written notice of withdrawal to the institution or the date the institution terminates the student due to the student's failure to adhere to the institution's attendance, conduct, or student progress policy.
